

Yuvaraja M

Web Developer Novice

OBJECTIVE

As a novice web developer, my objective is to leverage my foundational skills in HTML, CSS, and JavaScript to contribute to dynamic and visually appealing web projects. I am eager to expand my knowledge, collaborate with experienced professionals, and continuously improve my abilities in order to create engaging user experiences and contribute positively to innovative web development initiatives.

EDUCATION

Bharathiar university, Coimbatore — MCA
2022 - 2024

vivekananda college of arts & science, Madurai — B.SC computer science
2019 - 2022

PROJECTS

Library Management System

Developed a comprehensive Library Management System using HTML, CSS, PHP, Bootstrap, and MySQL. Designed and implemented an intuitive user interface utilizing HTML and CSS for front-end development, ensuring a user-friendly experience. Leveraged PHP to create dynamic functionalities, enabling seamless data handling and processing. Employed Bootstrap to enhance responsiveness and streamline the system's design across various devices. Implemented a robust back-end database using MySQL to efficiently manage and organize extensive library records, facilitating easy retrieval and manipulation of data. This project honed my skills in full-stack development, database management, and responsive design.

INTERNSHIP

Shiash Info Solutions Private Limited.

Project Title - January 2024 to April

Multiscale Investigation Of Switchable Metallicity In Tunable Conductance Devices

I led a project using Python, Django, and MySQL to improve electronic devices with Manganese disulfide (MnS₂). The web app boosts MnS₂ for better batteries, supercapacitors, and data storage. It imagines eco-friendly cities, focusing on innovation. With smooth integration and data management, users harness MnS₂'s power easily.

SKILLS

1. Frontend Development
 - HTML5, CSS3, react.js
2. Frameworks
 - Bootstrap,django
3. Backend Developer
 - programming python 3.12.4
4. User Interface Design
 - Figma
5. API: django rest APT

TOOLS

- Github
- Visual Studio Code
- Ms Office
- Figma

LANGUAGES

- English
- Tamil

CERTIFICATES

- Completed UI/UX course on Great Learning.
- Completed python courses On Besant technology
- Attended Workshop in the Topic : Python
